

### Final Results of Changed Circumstances Antidumping Duty Review

Pursuant to section 751(d) of the Act, the Department may revoke an antidumping duty order based on a review under section 751(b) of the Act (i.e., a changed circumstances review). Section 751(b)(1) of the Act requires a changed circumstances review to be conducted upon receipt of a request containing information concerning changed circumstances sufficient to warrant a review.

The Department's regulations at 19 C.F.R. 351.222(g) permit the Department to conduct a changed circumstances review under 19 C.F.R. 351.216 based upon an affirmative statement of no interest from producers accounting for substantially all of the production of the domestic like product to which the order pertains. Therefore, based on an affirmative statement of no interest in this proceeding by petitioners, we are issuing final results in this changed circumstances review pursuant to section 751(b) of the Act and 19 C.F.R. §§ 351.216, and 351.222. Based on the fact that no interested parties have objected to the revocation of the antidumping duty order on solid urea from the former G.D.R., we have determined that there are changed circumstances sufficient to warrant revocation of this finding.

This revocation applies to all entries of the subject merchandise entered, or withdrawn from warehouse, for consumption made on or after the effective date of this notice. The Department will order the suspension of liquidation ended and will instruct the Customs Service to refund with interest any cash deposits or bonds for all affected entries. This notice also serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Failure to comply is a violation of the APO. This changed circumstances review and notice are in accordance with section 751(b) of the Act, as

amended (19 U.S.C. 1675(b)), and 19 CFR 351.216.

Dated: March 27, 1998.
